Our Vision for Faith Formation

The Faith Formation Program at Zion Lutheran Church is a place for children, youth and adults to hear God's word, to grow in the knowledge of God's love, to develop a greater understanding about who we are and how God wants us to live and to apply these teachings to become an authentic disciple of Christ.

Together, we will instill in our children, youth and adults, the values present in our faith, through God's word, prayer, worship, ministry and fellowship. Together, we will build upon the foundation of God's promises in order to strengthen our families, support our community and come together as children of God. Together we will discover and utilize our gifts as we learn to be authentic Disciples of Christ, so that we recognize faith as an active, and routine part of life; that loving God and loving your neighbor is not just reserved for Sunday mornings, but a lifestyle we choose for ourselves every day.
