"The wolf shall live with the lamb, the leopard shall lie down with the kid, the calf and the lion and the fatling together, and a little child shall lead them." — Isaiah 11:6

This VBS will help children learn about an important part of our work in caring for creation.

For families living in poverty or hunger, eggs from chickens, milk from goats or meat from pigs can provide important nutrition and money for other needs.

Find us on the farm where kids will learn from the scriptures, participate in hands on crafts, explore global customs and discover how we can all do our part to end hunger.

It Is God's New Creation!

This is a FREE event for kids entering K—5th Grade
